Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Maintains cellular health.
- (2) The antigenic properties promote healthy cellular division, function, and growth.
- (3) The bovine mammary PMG™ extract in Mammary PMG appears to neutralize the circulating antibody, thereby contributing to the maintenance of cellular health.
- (4) Mammary PMG helps build strong bones and teeth.
- (5) Calcium is the most important element required for the body to build and maintain strong bones, teeth and to trigger a myriad of other important physiological processes.
- (6) Mammary PMG provides nutritional ingredients and support for the mammary gland.

These statements are made for a dietary supplement containing a proprietary blend of bovine mammary PMG™ extract, and magnesium citrate. Other ingredients include calcium lactate, cellulose, and calcium stearate. The name of the product is Mammary PMG®.
